

Self Managed UX Teams

Introduce the value of UX
to your organization with
a proven and skilled team

Organizations on their digital transformation path often think of technology first, but without a dedicated team considering the user's experience, efforts can fall flat. Accelerate your journey and improve satisfaction with a high-performing self-managed UX team.

THIS SERVICE HELPS TO...

Bring in true expertise
to expedite your digital
transformation

Move past internal politics
and prove that evidence-
based design works

Set up a structure
to enable you to build
your own thriving team

A strategic approach to solving your UX
problems and achieving your goals.
Specifically:

- ✓ Experts that have experience
integrating new processes into
legacy organizations
- ✓ A team ready to help you prioritize
and demonstrate value quickly
- ✓ Coaching, sharing and executive
presentations of outcomes
achieved by the team
- ✓ Increased design understanding
and maturity for your organization

Self Managed UX Teams

HOW WE DO IT

- 1 You receive coaching on the proper team structure based on your goals.
- 2 We provision your team with the specific skills and specializations you need.
- 3 Ramp up your self-managed team through our 2-week onboarding process.
- 4 Your self-managed team works iteratively with you to showcase the value of UX.
- 5 We ensure success through feedback and regular touch points with Akendi leadership.

About Akendi

Akendi is a human experience design firm with 16+ years of successful collaborations, leveraging equal parts research-led analysis and inspired creative design. Our multi-disciplinary team of 15+ specialists help your organisation to deliver exceptional experiences and provide strategic insights to put you a step ahead of the competition.

Our Services

We ideate, strategize, research, design, test and construct all aspects of the customer and user experience, ensuring intentional experiences that meet citizen, customer and user needs. Every time.
