

Front-end Web Development

Ensure a high-calibre experience with our front-end web development

Sophisticated consumer websites, government portals, e-commerce sites, microsites, and static web pages all need high-quality code to perform well in search, across devices, and over the long term. Our front-end web dev team will ensure your site delivers an excellent response.

THIS SERVICE HELPS TO...

Provide support for your website project, from ideation through planning and launch

Assure a high-quality web user experience

Ensure a focused, iterative, and collaborative process

WHAT YOU GET

Our front-end web dev team can deliver the final code for completion, or can deliver a fully functioning website. You get:

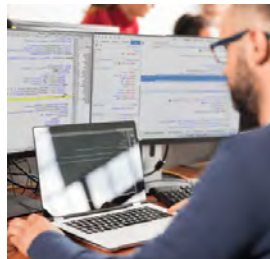

- ✓ Web code that's easy to use as intended
- ✓ The web experience specification documents and web style guides
- ✓ User experience design patterns
- ✓ We work in HTML for email campaigns, CSS (Plain, Sass), Bootstrap, jQuery, JavaScript, Angular, Angular-Ionic, React, ASP.NET, WPF, C#, CMS: WordPress, Umbraco, Drupal

Front-end Web Development

HOW WE DO IT

- 1 We understand content, technical and functional web requirements.
- 2 We set up the web development environment specific to your situation.
- 3 We develop responsive front-end web code, iterations and code reviews in agile cycles.
- 4 We QA and test the web experience on multiple devices, browsers, orientations, and resolutions.
- 5 We provide the web code, documentation and required training.

About Akendi

Akendi is a human experience design firm with 16+ years of successful collaborations, leveraging equal parts research-led analysis and inspired creative design. Our multi-disciplinary team of 15+ specialists help your organisation to deliver exceptional experiences and provide strategic insights to put you a step ahead of the competition.

Our Services

We ideate, strategize, research, design, test and construct all aspects of the customer and user experience, ensuring intentional experiences that meet citizen, customer and user needs. Every time.
